# SUMMER PROGRAM INFORMATION

---

Montessori Center School provides thematic academic camps for children from 3 to 12 years of age. Our summer sessions are a great continuance of the school year, enriching your child's education with diverse and fun programs. If you are curious about Montessori education or interested in challenging your child's imagination this summer, explore one or more of these sessions.

## Mission Statement

Our mission is to offer a Montessori education that encourages intellectual, social, physical, creative, and moral development, preparing students for academic excellence, confident, lifelong learning, and responsible, caring lives.

## Statement of Educational Philosophy

Montessori's philosophy respects and embraces the natural worlds and the panorama of cultures, knowledge and arts. It respects both the individual and the community in its efforts to provide well-rounded education with the following emphases:

- **Intellectual:** Hands-on material and teacher-facilitated learning creates a stimulating curriculum, responsive to individual learning styles and developmental stages ("sensitive periods"), that treats the child as both teacher and student, that fosters order, independence and creativity in thinking, and that provides a strong basis for scholastic ability and for optimizing intellectual potential.
- **Social:** Adults and children in multi-age classrooms act as models for and encouragers of appropriate choices and behaviors that honor the feelings of self and others, that demonstrate mutual respect for members of the classroom and global communities, and that foster qualities of leadership and group contribution.
- **Physical:** Participation in play, fine and gross motor activities, fitness and performing arts reinforce the mind-body connection and enhance agility.
- **Creative:** Exposure to visual and performing arts curricula strengthens, broadens, and enhances intellectual and cultural development.
- **Moral:** Opportunities exist to learn and use ethical judgment and civility within the family-like order of the classroom, so that universal values such as respect, responsibility, honesty, self-discipline, compassion, perseverance and loyalty are supported.

We do not discriminate in the admission of students or in the operation of the school on the basis of race, sex, gender identity, sexual orientation, color, or national, and ethnic origin.

## Montessori Adventures

### --- Six Week Session

June 14 - July 22

(Closed June 13 & July 4)

Sports Camp

\$ 1650

Each week we will play a new team sport and focus on skills, technique and sportsmanship. Some of the games we will play: T-ball, soccer, basketball, pillow polo, sharks and minos, track and field and a few that haven't been invented...yet! Come ready to play ball and have fun with Kacy Cristofani.

Primary students attending the first six weeks of summer will be enrolled in Montessori Adventures for continuity

## Montessori Discoveries

### --- Session 1

June 14 - June 24 (closed June 13)

Solstice Fun

\$ 530

Make art using the sun as our inspiration! Learn different ways to utilize the sun and all it has to offer. We will be using various material and methods to create sun infused works of art. Krista Williams will lead this session.

### --- Session 2

June 27 - July 8 (closed July 4)

Art Explorations

\$ 530

Let's create and learn about different types of art and famous artists. Roll up your sleeves and join JoAnn Serpa on this fun-filled and creative adventure.

### --- Session 3

July 11 - July 22

Tie Dye with a Natural Twist

\$ 590

Have fun tie dying with plants as we explore the natural world. We will go on nature walks around campus to gather objects, observe shapes and textures and design a mandala from what we find. This camp will be led by Krista Williams; items to be died will be provided.

## *Primary Vacation Adventures*

**8:15am - 2:30pm**

*These non-academic camps are a relaxing way to wind down the summer. These camps are suitable for Primary students age 3-5 yrs old. Current Pre-Primary (Gold and White Door) students promoting to Primary in the fall should register for Pre-Primary camps.*

--- Session 4

July 25 - July 29

Vacation Adventures

\$ 285

--- Session 5

August 1 - August 5

Vacation Adventures

\$ 285

Join Dorothy Miller in either or both of these sessions to explore the world of birds. Learn about the birds that fly above our heads, including bird habitats, nesting, bird tracks and migration. We will look at eggs and feathers in the classroom and listen to recordings of common bird calls and songs. Our class will also have plenty of art and craft activities.

### **After School Care**

**2:30pm - 5:30pm**

--- June 14 - August 5

\$ 15 per day

MCS staff members provide a relaxing, creative, end-of-the-day program for Primary and Elementary students who continue their school day past 2:30. Organic snacks will be provided. ASC is billed to your account after the fact and based on use. Please register in advance if you know you will need ASC regularly; however, drop-in use is available with notification to the office. Late pick-up fees of \$1 per minute apply after 5:30.

## *Elementary Classes*
